### PROJECT UPDATE

#### Sewer Force Main Replacement Work at Buckman Avenue

Dear Valued Customer,

The City of Norfolk Department of Utilities is pleased to provide you an update on the sanitary sewer replacement project in your neighborhood. Additional sewer pipe installation is currently underway to improve the reliability of the system.

The City's contractor, W.R. Hall, Inc., is installing new piping in the City right-of-way and on City-owned property as shown on the attached map. This work is anticipated to be completed by the end of September 2015.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions or concerns regarding this project, please do not hesitate to contact the City's on-site construction inspector, Jose Arocho. He can be reached by cell phone at (757) 618-5575. You may also contact the project manager, Kevin Frederick, at (757) 664-6734.

The Department of Utilities looks forward to completing this project which will enhance the area sanitary sewer system for years to come.

Sincerely,

A handwritten signature in black ink, reading "Kristen M. Lentz".
